

SERVICE BULLETIN

Overview:

EarthLinked® compressors are shipped with **Copeland Ultra 32-3MAF Polyol Ester Oil**. This is the only brand and type of oil that we recommend be used with our compressor units.

EarthLinked® systems are optimized for usage with the Copeland Ultra 32-3MAF Polyol Ester Oil, which has shown to have the best oil return performances.

If at any point you need to add oil or change it - for example when changing out a compressor - please only use Copeland Ultra 32-3MAF Polyol Ester Oil.

Copeland Part Numbers:

- 998-E022-00 (1 quart – 12 per case)
- 998-E022-01 (1 gallon – 6 per case)
